Workshop BRWB 2023

Additional Information

- Simultaneous translation will not be provided at the BRWB 2023 workshop.

- The dinner on the previous day will be held in another location in Darmstadt. We have chosen this restaurant because the guest area ceiling is much higher than the others; therefore, we see fewer COVID problems.

- We offer companies to post vacancies/applications for interns and new employees on a pin board in the conference area.

- Based on the guidelines of TU Darmstadt all visitors have to wear face masks (FFP2 or medical surgical masks) in the buildings of the Technical University. Person speaking in front of course may take off mask.

- All these events will take place under the reservation of:
 - Possible changes due to the infection situation
 - New requirements of the German Infection Protection Act
 - New guidelines of the TU Darmstadt
